DETAILED ACTION

Election/Restrictions

1. Applicant's election of Claims 17-20 in the response filed 23 September 2003 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

Drawings

2. The drawings are objected to because for the following reasons:
 - a. On the first drawing sheet, "FIGURE 1" should be deleted.
 - b. On the second drawing sheet "FIGURE 2" should be deleted.
 - c. On the 14th drawing sheet "Figure 10" should be deleted and "10A", "10B", "10C", etc. should read FIG. 10A, FIG. 10B, FIG. 10C, etc.
 - d. On sheets 16 and 17, "Figure 12" should be deleted and "A", "B", "C", etc. should read FIG. 12A, FIG. 12B, FIG. 12C, etc.
3. A proposed drawing correction or corrected drawings are required in reply to the Office action to avoid abandonment of the application. The objection to the drawings will not be held in abeyance.

Specification

4. The claim to the benefit of a prior application must appear as the first sentence of the specification, rather than on page 23, lines 24-25.

5. In the brief description of the drawings (page 6, lines 5-6) Figs. 10A-10F should be mentioned rather than merely "Fig. 10", to be consistent with latter portions of the specification.

Allowable Subject Matter

6. Claims 17-20 are allowed. The closest prior art is Van Vlasselaer (US 5,840,502); however, this reference does not disclose the step of "pushing the float downward into the vessel such that at least a portion of one zone of the density gradient spills over an upper circumferential edge of the float into the well" required by independent claim 17.

Conclusion

7. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

8. This application is in condition for allowance except for the following formal matters discussed above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
